q.c. 466/42-43 d 8th Jun. 43 forwarding that a sum of Rs 250/- has been advanced to a DSP for immediate expenditure for making last purchases at Gubbi at Food Control Operations and requesting approval to his action.

Kind reference is invited to Para 2 of the PWD. Asked for point and orders whether the proposals stated may be approved. Superintendent may perhaps be consulted if this may not be met out of their Budget.

It may become difficult to control the disposal of the grant of expenditure should be permitted on such items as those requested by the D.C. Tumkur. It has not been explained as to what will happen to the articles purchased and how they will be accounted for. It seems best to drop this question

To

The Chief Secretary to Government of His Highness
The Maharaja of Mysore,
BANGALORE.

Sir,

I have the honour to state that out of the sum of Rs.10,000 placed at my disposal for expenditure in connection with the Civil Defence Scheme under Government Order No.2057-67/W dated 24th March 1942, a sum of Rs.250/- has this day been advanced by me to the District Superintendent of Police, Tumkur, for immediate expenditure for making test purchases and the detection of the various crimes under the food control operations in the District. The approval of Government may kindly be obtained.

In this connection I may also add that some portion of the amount to be spent by the District Superintendent of Police, in test purchases cannot be recovered, as higher than normal prices will have been paid in effecting the purchases. But such losses will be offset by the fines on conviction, and the putting down of ~~stock~~ Black market transactions.

This expenditure of Rs.250/- may therefore be admitted in audit as a final charge, details of expenditure being watched by the Deputy Commissioner.

I have the honour to be,

Sir,

your most obedient servant,

District Magistrate,
Tumkur District.
